After you determine which region you would like to visit, decide what type of food you are interested in. Restaurants are alphabetically grouped by region and are categorized by food type, noted in parentheses after each listing. Categories are defined in the key. In addition to a food category, each restaurant also has a number. Each number is plotted on the map, showing where the restaurant is located. Also note enhanced views of Wheaton-Walking Distance and downtown Glen Ellyn. If you have questions, or would like recommendations, menus, directions or other information, please stop by the Information and Ticket Office in the Student Services Building or call 630.752.5010 between the hours of 8:30 a.m. and 4:30 p.m. Monday through Friday.
